

Expand Your Client Network!

Take advantage of Global Network and Business Promotions Opportunities through the MANILA WORLD TRADE CENTER CLUB

The Manila WTC Club provides you the platform to expand your business connections and be updated on global trade information. By joining the Manila WTC Club, you automatically become a member in nearly 300 World Trade Centers in almost 100 countries across the globe. This unique concept of reciprocity is the fundamental tenet of the World Trade Centers Association (WTCA) where World Trade Center Metro Manila is a member. Through the WTCA, each WTC becomes a branch office for all the others; thus, membership in any center is an entry to the international business community. Members get to participate in trade missions to international markets, as well as in business matching opportunities with incoming trade missions, generate leads and gain valuable business contacts.

To better improve the services for its members, the Manila WTC Club continues to link and develop cooperation with leading business organizations and agencies here and abroad that similarly offer trade promotions opportunities. A Manila WTC Club member not only receives benefits and privileges locally, but also gains reciprocal benefits offered by a network of WTCs worldwide.

WHO MAY JOIN THE MANILA WTC CLUB?

All Industry Sectors may join the Manila WTC Club, such as Export, Import, Retail, Distributorship, Manufacturing, Food Processing, Agri-business, Hospitality Sector, MICE Industry, Logistics, Brokers, Business Consultancy, Construction, Interior Design, Property Development, Staffing Solutions, Insurance, Finance, and others.
